

Efforts of Hotel Code Shinsaibashi against spread of coronavirus (COVID-19)

◆ Frequent hand disinfection

Please frequently disinfect your hand using hand sanitizers installed by the front counter and inside the elevator.

◆ Keeping your social distance

We would like to thank you very much in advance for understanding that we may take your time for check-in process for our effort to keep your social distance.

◆ Wiping disinfection of open spaces and parts

Wiping disinfection is performed on the regular basis mainly to the place and part where many people may touch such as ticket vending machine, lockers or elevator buttons.

◆ Equipping our employees with the mask

All our employees will be required for health check, gargle, hand wash and disinfection are due before entering Hotel Code. Also, in favor for your health safety, our staff may be equipped with the mask.

◆ Request for self-management of your body conditions

Please let our counter staff know immediately in case of fever, terrible cough or such symptoms appear. Also, there are several thermometers available as well.
